

How to add your Credit Card

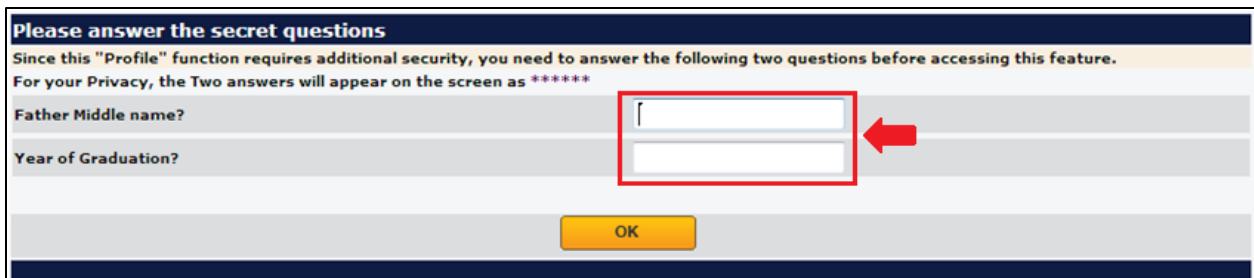

- 1) Login to internet banking service.
- 2) Click on “Profile” option from the left side menu

- 3) Click on “Link Accounts” option from top menu

- 4) Enter your “Security Questions” then click “OK”

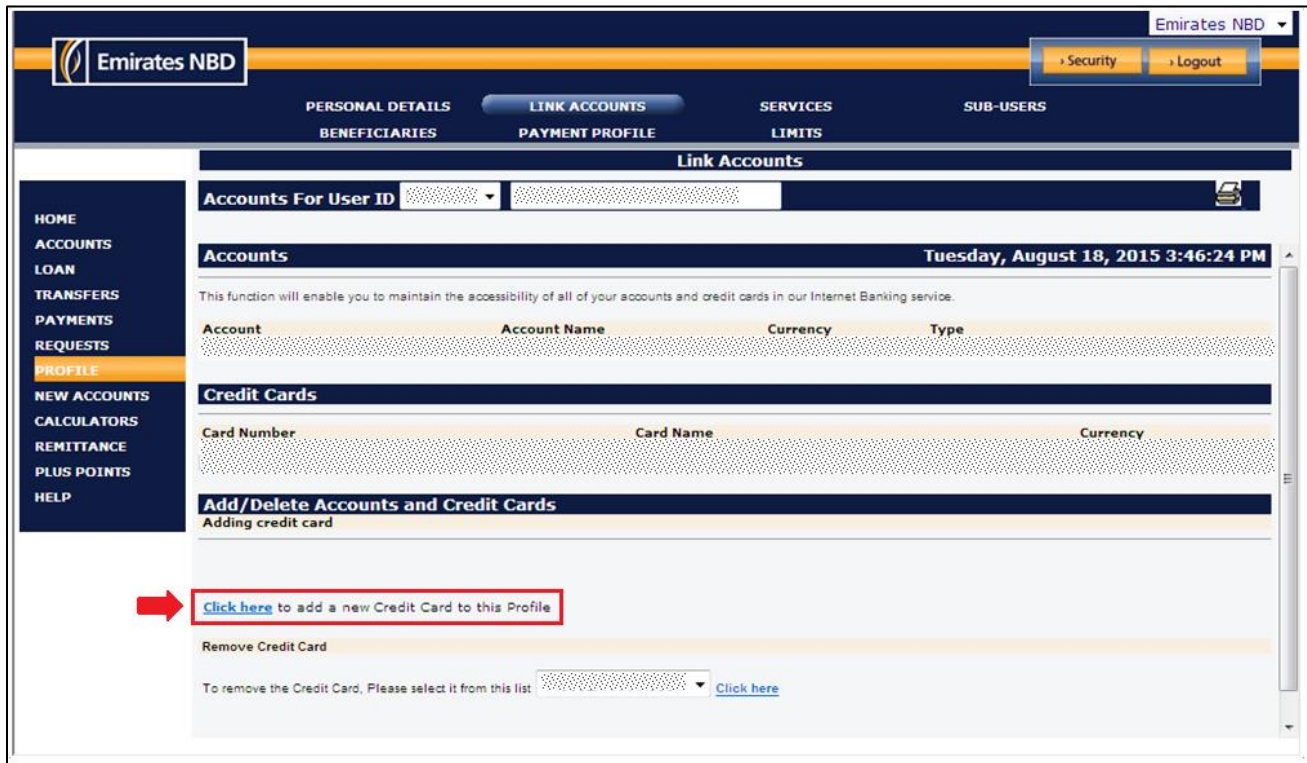

A screenshot of the security questions screen in the Emirates NBD internet banking interface. The screen displays the following text: "Please answer the secret questions", "Since this 'Profile' function requires additional security, you need to answer the following two questions before accessing this feature.", and "For your Privacy, the Two answers will appear on the screen as *****". Below this text are two input fields: "Father Middle name?" and "Year of Graduation?". The input fields are highlighted with a red box, and a red arrow points to them from the right. At the bottom of the screen is a yellow "OK" button.

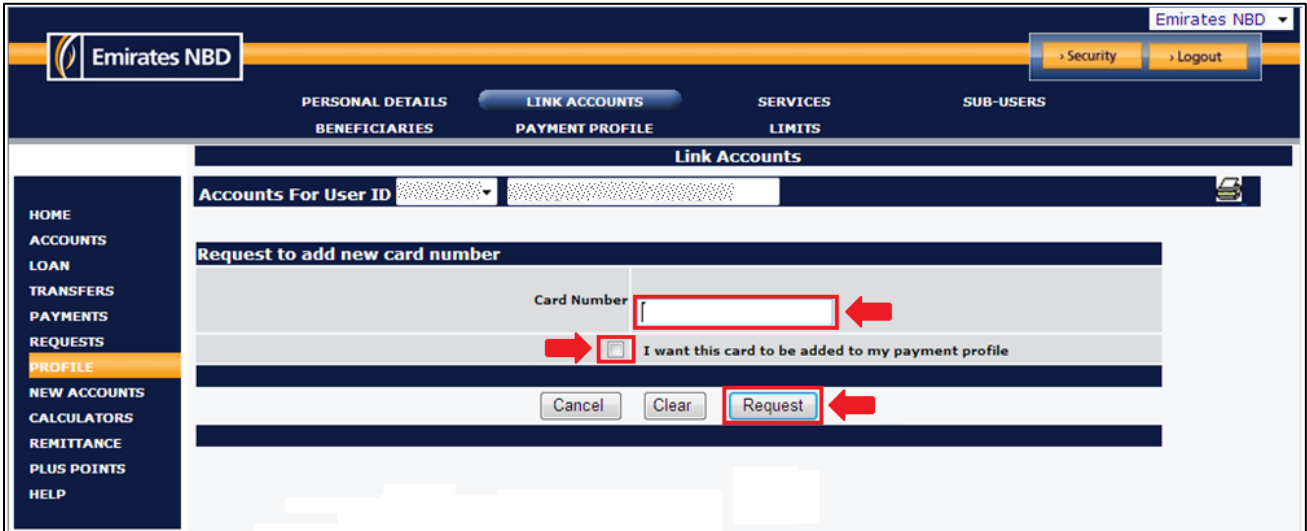

- 5) Click again on “Link Account” on the top of the page

6) At the bottom of the page, click on “Click here” to add your credit card

7) Enter your Credit Card number, tick the check box below then click on “Request”

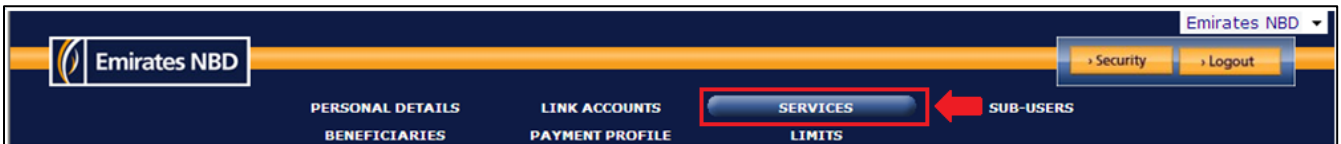

8) Your request will be forward to back office for processing and validation

9) Within **24 hours** your credit card will be added. Once added, you will need to:

- Click on “Services” option from the top menu

- From the right drop down menu, choose your CURRENT ACCOUNT and CREDIT CARD and tick all the boxes for services available in the online banking then click “Save”:

Tick the service options required for Account No. [REDACTED] under userid [REDACTED]

This function will enable you to maintain the accessibility of all of your accounts and credit cards in our Internet Banking service. You can allocate different services for yourself or for your sub users,(if any) for each basic account.
